The University of Vienna is the oldest university in the German-speaking world and one of the largest in Central Europe. Thus, with more than 170 courses and about 94,000 students as well as staff of 9,500 employees, it is also the largest educational and scientific institution in Austria.

The university’s Postgraduate Center offers a wide range of Advanced Postgraduate Programs. Students may choose from about 50 master programs, continuing education courses and certificate courses in the fields of »Education & Social Care«, »Health & Natural Sciences«, »International Affairs & Business«, »Communication & Media« and »Law«. In addition, the university offers tailormade corporate programs targeted at the goals and specific needs of organisations.

All professional education programs of the University of Vienna are adjusted to the specific demands of professional life and aim at providing an interdisciplinary approach. Students will learn to understand how related scientific disciplines are interconnected with their specific fields of expertise. The Postgraduate Center is also active in the Austrian and international discourse on lifelong learning.
