This Moot Court offers you the unique opportunity to deepen your knowledge on European Law in a team based on a real case and compete against participants from all over the world.

The ELMC is the **most prestigious European Law Moot Court** with over 80 international Universities participating every year. Furthermore, this Moot Court offers you the chance to present your skills in front of members of the CJEU.

What requirements do you have to meet?
In addition to your enthusiasm for European Law and new challenges, you should meet the following criteria:
- completion of FUM I or LL.B. (European Law exams highly desirable)
