## Moot – meet – compete!

We are searching for a team of **3-4 students** that want to face the challenge and prepare for the ELMC during **Winter Term 2019/2020** to bring a ELMC victory to the University of Vienna for the third time in recent years.

### Why the ELMC?

This Moot Court offers you the unique opportunity to deepen your knowledge on European Law in a team based on a real case and compete against participants from all over the world.

The ELMC is the **most prestigious European Law Moot Court** with over 80 international Universities participating every year. Furthermore, this Moot Court offers you the chance to present your skills in front of members of the CJEU.

More information can be found on the ELMC website:

<https://www.europeanlawmootcourt.eu>

### Why should you apply?

The ELMC offers you the possibility to discover European Law matters from a different perspective. You will thereby learn to work in a team and sharpen your arguments in written and oral pleadings. As your coaches, we will support you and aim to bring our team to the final in Luxemburg again this year.

According to the motto “moot – meet – compete” you have the possibility to travel to European cities, get to know students from all over the world and might earn yourself an internship with an international law firm or EU-institutions.
