# European and International Business Law

INVITATION TO THE ONLINE INFO EVENT ON 20. May 2025

The focus of the master's program is the internationally operating company and its legal status in the European internal market and in international trade. Against this background, there is a wide range of professional training to become a commercial lawyer with a European and international orientation.

The LL.M. program is offered full-time (2 semesters), and part-time (4 semesters). The full-time variant is an in-class program, while the part-time variant is completely online.

## ONLINE INFO EVENT

May 20, 2025, 5 pm.
