**Why should you apply?**
The ELMC offers you the possibility to discover European Law matters from a different perspective. You will thereby learn to work in a team and sharpen your arguments in written and oral pleadings. As your coach, I will support you and aim to bring the team to the final in Luxemburg again this year.

According to the motto “moot – meet – compete” you have the possibility to travel to European cities, get to know students from all over the world and might earn yourself an internship with an international law firm or EU-institutions.

**What requirements do you have to meet?**
In addition to your enthusiasm for European Law and new challenges, you should meet the following criteria:
- completion of the “2nd Studienabschnitt” (European Law exam highly desirable)
- excellent command of English (command of French highly desirable)
- team spirit.

The **selection process** will take place during **August 2020**. The ELMC equals 8 ECTS.
